

Compliance Data Analyst – 12 Month FTC

Description

Company Description

We are Legal & General Investment Management (LGIM), the asset-management arm of Legal & General Group. Our purpose is to create a better future through responsible investing. We strive to achieve this through a strong sense of partnership with our clients, working together to achieve positive long-term outcomes. We draw on industry-leading expertise to innovate constantly across public and private assets, index and active strategies. And we are a responsible investor, rising to the challenges of a rapidly changing world.

We are truly international, present where our clients need us. Our teams around the world are highly dedicated, professional and collaborative and we draw strength from our diversity of talent. We are clear on what we stand for and our commitment to inclusivity anchors our behaviours.

Job Description

We're recruiting for a Compliance Data Analyst to join us on a 12 month FTC. We're offering a competitive base [salary](#) and good benefits package.

What you'll be doing:

- Running analysis on all trade data to detect any suspicious activity
- Investigating flagged data, identifying potential issues and raising appropriate mitigating actions
- Checking and flagging any false positives
- Preparing reports and management information for various groups and committees including the regulator
- Reviewing and understanding new regulations that may impact the business

Qualifications

Who we're looking for:

- For this role you will need good working knowledge of SQL and Python
- Ideally you will have previous experience of working in financial services and understand the asset management industry
- Good analytical skills
- Up to date knowledge of relevant regulatory requirements

Whatever your role, we reward performance and behaviour with a package that looks after all the things that are important to you. Here are some of the benefits we offer:

- The opportunity to participate in our annual, performance-related bonus plan and valuable share schemes
- Generous pension contribution
- Life assurance
- Private medical insurance (permanent employees only)

- At least 25 days holiday, plus public holidays, 26 days after 2 years' service. There's also the option to buy and sell holiday
- Competitive family leave
- Participate in our electric car scheme, which offers employees the option to hire a brand-new electric car through tax efficient salary sacrifice
- There are the many discounts we offer – both for our own products and at a range of high street stores and online
- In 2023, some of our workspaces were redesigned. Our offices are great spaces to connect and collaborate and have your wellbeing at the heart

Additional Information

Legal & General is a leading financial services organisation, named [Britain's Most Admired Company](#) in 2023, for the second year running. Rated top in our sector and top for inspirational leadership, we have a strong heritage and an exciting future.

We're one of the world's largest asset managers, homebuilders, pension providers and insurers. Connecting to form a unique business model which drives value for our customers and society. And enabling our people to create impact through work that is meaningful and valued.

If you join us, you'll be part of a welcoming, inclusive culture, with opportunities to collaborate with people of diverse backgrounds, views, and experiences. Guided by leaders with integrity who care about your future and wellbeing. Empowered through initiatives which support people to develop their careers and excel.

We strive to be open, mindful, and inclusive, so are always willing to discussing flexible working arrangements and reasonable accommodations for candidates with specific needs. It doesn't matter if you don't meet every single criterion in this advert. Instead, think about what you excel at and what else you can bring in terms of strengths, potential and connection to our purpose.

If you're open to find out more, we'd love to hear from you.

How the process will look like

Your teammates will gather all requirements within our organization. Then, once priority has been discussed, you will decide as a team on the best solutions and architecture to meet these needs. In continuous increments and continuous communication between the team and stakeholders, you're part of making data play an even more important (and understood) part withing Brand New Day.
