

Data Strategy Director, multiple EU locations

Description

When our values align, there's no limit to what we can achieve.

At Parexel, we all share the same goal – to improve the world's health. From clinical trials to regulatory, consulting, and market access, every clinical development solution we provide is underpinned by something special – a deep conviction in what we do.

Each of us, no matter what we do at Parexel, contributes to the development of a therapy that ultimately will benefit a patient. We take our work personally, we do it with empathy and we're committed to making a difference.

This role can be flexibly based in selected EU locations
