

Data Quality Management Intern

Description

Company Description

About Bosch: Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology – with us, you will have the chance to improve quality of life across the globe. Welcome to Bosch.

The Mobility Aftermarket division (MA) in Serbia offers a broad range of services towards MA headquarter in Karlsruhe from areas of product marketing, quality management, trade marketing, purchasing and engineering. MA organization in Belgrade is unique on a global level due to being the only organization outside the central headquarter which performs the same headquarter processes.

We offer you the opportunity to work in a very global and agile team within a future oriented division of Bosch.
